Now everybody in SoCal can easily can attend the Sensors Expo (no flight to O'Hare!) and here's [Why You Should Attend](#), besides meeting with NPI Services at Booth 744! Register in advance for free Expo admission.

NPI Helps Nepal See the Light to Rebuild (April 29, 2015)

NPI Services sends our heartfelt sympathy to all the people of Nepal during this terrible tragedy. We join the international community in offering our support by donating solar lanterns with cell phone chargers. We hope our lanterns will shine some light on the extensive rebuilding efforts that the country will endure for quite some time.

For John's 10th Anniversary NPI Takes Going Global to a New Level!

Recently, John Osowski, Production Manager/Business Development Manager, celebrated ten years of service here at NPI Services, Inc. This photo from an album on our Facebook page shows John with Rosie, NPI's mascot, and big fan of John.

Click on the photo to check out the album, including Judy shopping for gift wrap for this rotating light-powered globe, presented in appreciation for John's outstanding ten years of service at NPI. The globe was wrapped in handmade paper and ribbon from Nepal, which also included a contribution to earthquake relief efforts.

Jessica Hsieh Wins NPI's Engineers Week Quiz Drawing

Meet Jessica Hsieh, the lucky winner in our Engineers Week 2015 Quiz drawing! (<https://www.linkedin.com/pub/jessica-hsieh/b/44b/a41>) NPI Services, Inc. Founder and President Judy Greenspon presented Ms. Hsieh with her gift card prize while at dinner at True Foods Kitchen. Conversation at dinner was lively and informative! We are so pleased that this year's prize winner is from the University of California, Irvine community, especially as Judy was a guest speaker in the Entrepreneurship for Scientists and Engineers series during the week prior to Engineers Week. Of course, she put in a plug for our quiz and prize drawing! Participants included some from UC Irvine, UC Berkeley, and industry.
